

Happy Holidays

In order to allow association staff to enjoy the holidays with their families, the association offices will be closed from December 24th through to January 2. Phone calls and emails will be returned on January 2, 2019. Urgent communications will be addressed as soon as they are received.

We wish you and your family a relaxing, happy holiday season and a prosperous New Year!

Ministry of Health Releases New Guideline

The Saskatchewan Ministry of Health released the new Saskatchewan Onsite Wastewater Disposal Guide on November 20, 2018. This new guideline replaces the 2009 edition and incorporates significant changes to the requirements for septic system design and installation in the province.

SOWMA is currently updating our training program to incorporate these changes in anticipation of delivering training early in 2019.

A copy of the guideline can be downloaded here: <http://publications.gov.sk.ca/documents/13/109211-Onsite-wastewater-disposal-guide.pdf>

SOWMA Welcomes New Help in the Office!

The Board of Directors is pleased to announce that Adrienne French has joined us in the office to provide support to the SOWMA membership.

Bringing Adrienne on board allows SOWMA to provide dedicated admin support to the membership. Adrienne has worked in the onsite wastewater industry for a few years now and has her certification in onsite wastewater design and installation.

You can reach Adrienne by email at adrienne@sowma.ca or on the association phone at 306-988-2102. You can still reach Lesley as well at lesley@wcowma.com or through the office phone. We look forward to serving you!

Advertising & Sponsorship Opportunities

Did you know that there are plenty of opportunities to support your industry organization and promote your business? We have options for a variety of price points. Contact our office today to sponsor a training event, or advertise in this newsletter, or our upcoming printed magazine.

For more information, call us toll free at 1-855-872-2650.
