Happy Holidays from SOWMA

All of us here at SOWMA wish you and your family a joyful holiday season and all the best in the New Year.

Convention News Update

The Board of Directors of the Saskatchewan Onsite Wastewater Management Association has changed plans for the annual convention and trade show. Instead of hosting a one day event in Saskatoon in March, the association will host a series of industry education days in health regions around the province. Programs will include education on soils and installation techniques, technical presentations from suppliers, presentations on regulatory issues and a troubleshooting open discussion.

SOWMA will publish locations and dates for these events in early January. We hope you will take the time to benefit from one of these events when it is in your region.

Onsite Wastewater Practitioner Training

The next available training session dates are:

Days 1-3 - May 4, 5 & 6, 2015 - Lloydminster, SK

Days 4-7 - May 24, 25, 26 & 27 2015 - Lloydminster, SK

Register online or contact the association office at 855-872-2650 for more information.

Saskatchewan Urban Municipalities Association Annual Convention

The Saskatchewan Urban Municipalities Association Annual Convention will be held January 31 – February 3, 2016 in Regina, SK.
