SOWMA Exhibits at the Saskatchewan Branch of the Canadian Institute of Public Health Inspectors (CIPHI)

SOWMA

Onsite Wastewater Practitioners work closely with their Regional Health Authority's inspectors to ensure that systems meet the required regulatory framework.

Each year the provincial chapter of CIPHI hosts an education day for their health inspectors. This year's event was held at the Saskatoon Inn.

SOWMA is a regular exhibitor at the CIPHI event, representing our membership and the onsite wastewater industry to our stakeholders on the regulatory side.
