SOWMA Education Days – Changes to the Program!

SOWMA is once again hosting Education Days in April. This is a great opportunity to refresh your onsite knowledge prior to the season and network with your fellow members & industry professionals. Education Days include lunch and refreshments with door prize draws at end of each day.

This year, SOWMA is inviting guest speakers to provide attendees with some variety in topic matter! In order to bring guest speakers to the Education Days, we will have to limit the offerings to one session in the South, in Regina and one session in the North, in Saskatoon. We are hoping that those in the outlying areas will come into those centers and join in with the rest of their fellow stakeholders.

Please mark the dates in your calendar!

April 8, 2020 - Regina, SK
April 22, 2020 - Saskatoon, SK
April 23, 2020 - Yorkton, SK

For more information or to attend, please contact adrienne@sowma.ca or call 1-855-872-2650.

Launched in 2014 as a 6-year initiative, this training grant is a segment of the \$194M/year Canada Job Grant initiative as part of Canada's Economic Action Plan. The Canada-Saskatchewan Job Grant was created to provide training for Canadian employees in order to improve their employability and in-demand skillsets.
